Ranger of the Week

There was no Ranger this short week. Mosley was busy sleeping and resting up.

A look at this week...

Reading: As we wrap up Ee, we are continuing to practice the short /e/ sound. Vowels are tricky, and we want to make sure we can distinguish Ee from the other letters, especially short Ii as we are mixing those up from time to time.

Math: This eek, we will talk about splitting things into 2, or halves. We will also work on counting coins, and adding simple addition problems using dominoes.

Science: We will be starting a new unit at the end of the week about states of matter. We will talk about gases, liquids, and solids.

Religion: We are busy getting ready for the mass kindergarten is hosting on Wednesday. We will be spending time in the church practicing our parts all together.

Reminders:

*Kindergarten will be hosting mass on Wednesday 1/27. Come watch us! Mass is at the IC church at 8:30am.

*Friday 1/29 is a Dress Down Reward Day. Everyone has done a nice job of following the dress code, so enjoy a day of dress down clothes.
